AGILE INCREMENTAL DELIVERY CONTRACTS A COMPLETE GUIDE - 2019 EDITION (PAPERBACK)

5starcooks, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. How large is the system that is being developed? What kinds of software system would be best suited to an iterative and incremental development process? How is work allocated to the team in an Agile project? If a Timebox (iteration) plan needs to be reprioritised in a hurry, who should re-prioritise? What should the software do for its intended users? Defining, designing, creating, and implementing a process to solve a challenge or meet an objective is the most valuable role. In EVERY group, company, organization and department. Unless you are talking a one-time, single-use project, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, 'What are we really trying to accomplish here? And is there a different way to look at it?' This Self-Assessment empowers people to do just that - whether their title is entrepreneur, manager, consultant, (Vice-)President, CxO etc. - they are the people who rule the future. They are the person who asks the right questions to make agile Incremental Delivery Contracts investments work better. This agile Incremental Delivery Contracts All-Inclusive Self-Assessment enables You to be that person. All the tools you need to an in-depth agile Incremental Delivery Contracts Self-Assessment. Featuring 780 new and updated case-based questions, organized into seven core areas of process design, this Self-Assessment will help you identify areas in which agile Incremental Delivery Contracts improvements can be made. In using the questions you will be better able to: - diagnose agile Incremental Delivery Contracts projects, initiatives, organizations, businesses and...
